<b>Utilization Management</b>	<p>ASAM Adult Patient Placement Criteria apply to all substance abuse services and levels of care.</p> <p>Each Local Management Entity is responsible for the development and implementation of crisis and emergency services delivery and authorization guidelines to ensure the prompt and efficient implementation of services to eligible “Crisis Services (CS)” consumers. This includes LME approved procedures for the authorization of 24 hour admissions to inpatient hospital, facility based crisis, and 24 hour detoxification programs. The Division recommends that the LME review and authorize Mobile Crisis services after the delivery of the initial 16 units (4 hours) of this service.</p> <p>During regular hours of operation, the Division recommends immediate notification of the LME by the crisis or emergency services provider for all 24 hour emergency admissions. Written notification regarding such emergency admissions is recommended to be provided to the LME within 24 hours in all circumstances.</p>

**Child Substance Abuse  
Child with Substance Abuse Disorder (CSSAD)**

<b>Client Eligibility Criteria</b>	<p>Child or adolescent, over the age of 3 and under the age of 18, who are in need of treatment for a primary alcohol or drug abuse disorder, with a <b>Primary</b> ICD-9 Substance-related disorder.</p> <p>Eligibility Determination for this population group should be completed annually in conjunction with the Person Centered Plan process.</p> <p style="text-align: center;">~~~~~</p> <p><b>NOTES:</b> All individuals will be assessed for service eligibility on the basis of the American Society of Addiction Medicine (ASAM) <i>Patient Placement Criteria for the Treatment of Substance-Related Disorders (PPC)</i> (Adolescent Criteria) incorporated by reference to include subsequent amendments and editions.
